1:10 District Legal Status

The Illinois Constitution requires the State to provide for an efficient system of high-quality public educational institutions and services in order to achieve the educational development of all persons to the limits of their capabilities.

The General Assembly has implemented this constitutional mandate through the creation of joint agreements of various types for the purpose of providing special education services to children with disabilities.

The Governing Board, as established under the Articles of Joint Agreement, of the Black Hawk Area Special Education District is designated the Administrative Agent for the purpose of meeting the legal functions and requirements of the School Code. By resolution of the member Boards of Education, the Governing Board, as a legal entity, will serve as the Administrative Agent under Section 10-22.31 of the School Code.

The Board constitutes a body corporate that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law.

The following precepts govern political activities being conducted by District employees and Board members:

1. No employee shall intentionally perform any "political activity" during any "compensated time," as those terms are defined herein.
2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member's or employee's duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any "gift" from any "prohibited source," as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fundraising event in support of a political organization or candidate.
4. Educational materials and missions.
5. Travel expenses for a meeting to discuss business.
6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.

Food or refreshments not exceeding \$75 per person in value on a single calendar day, provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. "Catered" means food or refreshments that are purchased ready to consume which are delivered by any means.
9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.
10. Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee from an officer or employee of another governmental entity.
11. Bequests, inheritances, and other transfers at death.
12. Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under 26 U.S.C. §501(c)(3).

Enforcement

The Board President and Director shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Director or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Director or Board President shall, after consulting with the Board attorney, either place the alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State's Attorney and/or consider disciplinary action for the employee.

If the allegations concern both the President and Vice President, and/or they are witnesses or otherwise conflicted, the Board Secretary shall make the appointment. The investigator shall prepare a written report and submit it to the Board.

If a Board member has engaged in sexual harassment, the matter will be addressed in accordance with the authority of the Board.

The Director will post this policy on the District website and/or make this policy available in the District's administrative office.

Board Member Compensation Prohibited

Governing Board members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

Regulation of District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Director will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the Regional Director of Schools;
2. County or regional meetings and the annual meeting sponsored by any school board association complying with Article 23 of the School Code; and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Director or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Director: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, *Board Member Development* and other professional development opportunities that are encouraged by the School Code, and other training provided by one of the entities described in the above list (see the **Reimbursements and Purchase Orders** subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Credit and Procurement Cards

Credit and procurement cards shall not be issued to Board members.

Standardized Expense Form(s) Required

All requests for expense advancement, reimbursement, and/or purchase orders in the District must be submitted on the appropriate itemized, signed standardized form(s). The form(s) must show the following information:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and office of the Board member who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement or reimbursement will be or was expended.
4. The nature of the official business conducted when the expense advancement or reimbursement will be or was expended.

Types of Official Business for Expense Advancements, Reimbursements, and Purchase Orders

1. Registration. When possible, registration fees will be paid by the District in advance.
2. Travel. The least expensive method of travel will be used, providing that no hardship will be caused to the Board member. Board members will be reimbursed for:
 - a. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
 - b. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
 - c. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
 - d. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
 - e. Taxis, airport limousines, or other local transportation costs.
3. Meals. Board members will be reimbursed for meal costs and tips up to \$30 per day, consistent with the maximum allowable reimbursement amount set by the Board. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.
4. Lodging. Board members should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Board members should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.
5. Miscellaneous Expenses. Board members may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

2:140 Communications To and From the Board

The Governing Board welcomes communications from staff members, parents/guardians, students, and community members. Individuals may submit questions or communications for the Governing Board's consideration to the Director or may use the electronic link to the Board's email address(es) posted on the Cooperative's website.

The Director or designee shall:

1. Ensure that the home page for the Cooperative's website contains an active electronic link to the email address for the Governing Board, and
2. During the Board's regular meetings, report for the Board's consideration all questions or communications submitted through the active electronic link along with the status of the Cooperative's response in the Board meeting packet.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members' questions or communications to staff or about programs will be channeled through the Director's office. Board members will not take individual action that might compromise the Board or Cooperative. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

For purposes of this section, *electronic communications* includes, without limitation, electronic mail, electronic chat, instant messaging, texting, and any form of social networking. Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing Cooperative business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

In accordance with the Open Meetings Act, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of District business through electronic communications with a majority of a Board-quorum.

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Governing Board to discuss Cooperative business only at a properly noticed Board meeting. 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss Cooperative business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Between or Among Board Members and/or the Director Outside of a Properly Noticed Board Meeting

1. The Director or designee is permitted to email information to Board members. For example, the Director may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Director should copy all other Board members and include a *do not reply/forward* alert to the group, such as: "**BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender.**"
2. Board members are permitted to discuss any matter except Cooperative business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss Cooperative business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss Cooperative business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing Cooperative business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning Cooperative business to more than one other Board member. The following is an example of such an alert: "**BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.**"
6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a Cooperative-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill.App.4th 2013).

The following *examples* describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct school Cooperative business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Board member on a Cooperative-issued device or Cooperative-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the Cooperative.
 - c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a Cooperative-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the Cooperative.
 - d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the Cooperative's possession.
 - e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the Cooperative's possession because Board members were functioning collectively as a public body.

The Cooperative's Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the Cooperative's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate Cooperative office where it will be stored. If made available, Board members should use their email accounts provided by the Cooperative, and the Cooperative will automatically store the official record messages. The Cooperative will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a Cooperative-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorneys' direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

2:160-E Exhibit - Checklist for Selecting a Board Attorney

The Governing Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms, but it can be adapted for an application process, if the Board seeks an in-house attorney. For more information, call the IASB Office of General Counsel; see its current phone numbers at www.iasb.com/whatis/staff.cfm.

Determine what type of legal services the Cooperative needs.

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the Cooperative's legal needs are best served by in-house attorney(s) or outside attorney(s)/law firms. Many Cooperatives use a combination of these services. Many Cooperatives also use multiple attorney(s)/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorney(s)/law firms, but it can be adapted for an application process, which would better fit if the Board seeks an in-house attorney.
2. Consider the following factors to analyze the type(s) of legal services needed for the Cooperative including, but are not limited to:
 - Cooperative's size;
 - Any past and current experiences with legal matters;
 - Complexity of the Cooperative's legal needs;
 - Availability of expertise; and
 - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

Develop a list of qualifications necessary for providing quality legal services to the Cooperative.

1. Review policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align contracts for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the Cooperative's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
 - Licensed to practice law in Illinois and in good standing with the Illinois Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
 - Member of the Cooperative's assigned United States Cooperative court and the Seventh Circuit Court of Appeals
 - Substantive knowledge and experience in the legal areas matching Cooperative's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the Cooperative's identified needs and may change from time to time.
 - Experience in all aspects of contract, employment, and school law
 - Experience that meets the Cooperative's needs, including litigation experience in State and federal courts
 - Membership in professional associations, such as, the Illinois Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
 - Demonstrated knowledge of and ability to apply professional responsibility rules
 - Accessibility for the Cooperative's identified needs, e.g., evening Board meetings, phone calls, etc.
 - Ability to declare that representation of the Cooperative will be to the exclusion of all other clients having potential conflicts with the Cooperative's interests
 - When additional qualifications apply, those list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

Develop the RFP.

1. Insert the list of qualifications that the Board developed.
2. Include the following information:
 - The deadline for responses to be submitted
 - The location (address or email) where responses should be sent
 - A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School Cooperative
 - Significant information about the Cooperative. See Board policy 1:30, *School Cooperative Philosophy*, for the Cooperative's mission statement that is specific to the community's goals.
 - The scope of work, e.g., "The Board Attorney will provide legal advice concerning [typical duties, specific duties, excluded duties]."
 - Qualifications
 - Details about interviews and presentations
3. Specify what responders must include in their responses, such as the following:
 - Cover letter, complete name, address, and legal structure (if the responder is a law firm)
 - The individuals who prepared the response, including their titles
 - If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
 - A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
 - A summary of the responder's relevant experience representing public schools
 - A writing sample
 - An assurance that the responder meets the RFP's qualifications
 - References including current or past clients

Announce the RFP.

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the Cooperative's website, mail it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the Council of School Attorneys (ICSA) is on the IASB website, www.iasb.com. A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Illinois State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [Insert Cooperative's name] Board of Education Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve from the date of appointment to [date]. The length of the appointment is at the Board's discretion.
4. State the School Cooperative's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned [by certain time and date] to [name and title of person receiving applications].

Receive and manage responses to the RFP.

1. Review policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Director's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

Develop interview questions.

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
 - What do you see as your role as Board Attorney?
 - How many other school Cooperatives do you currently represent?
 - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
 - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school Cooperatives?
 - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *III. Professional Rules of Conduct* in ¶ 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *III. Rules of Professional Conduct*, at www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp, require attorneys to represent the Board in its capacity as the governing body for the Cooperative. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, **PRESS** policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *III. Professional Rules of Conduct* in ¶ 2 of policy 2:160, *Board Attorney*.
 - How would you manage a situation in which the Board and Director are in conflict? How about a divided Board? See the discussion about the *III. Professional Rules of Conduct* in ¶ 2 of policy 2:160, *Board Attorney*.
 - If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *III. Professional Rules of Conduct* in ¶ 2 of policy 2:160, *Board Attorney*.
 - Will you try to shape Board decisions or do you have a *whatever the Board decides philosophy*? See the discussion about the *III. Professional Rules of Conduct* in ¶ 2 of policy 2:160, *Board Attorney*.
 - Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *III. Professional Rules of Conduct* in ¶ 2 of policy 2:160, *Board Attorney*.
 - Do you provide your Board of Education clients with any updating services gratis?
 - How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
 - Will you be handling this business personally (i.e., will you delegate to your associates or partners)?
 - Can anyone else in your firm handle our inquiries when you are unavailable?
 - How do you keep current on school law?
 - When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
 - Have you represented a school Cooperative in a matter involving the rights of disabled students? ... involving disabled employees? ... involving a student expulsion? ... involving a teacher dismissal? ... involving an employee's contract or dismissal? ... involving a building contract or bidding matter? ... Can you tell us about that case?
 - How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
 - Did you bring a written agreement for legal services or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services.

Develop an interview protocol. Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP (see 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*).
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:
 - Introduce Board members to the responder.
 - Describe the Board's interview process, selection process, and ask the responder if he or she has questions about the Board's process for selecting its attorney.
 - Describe the Cooperative's philosophy or mission statement.
 - Describe the Board Attorney position by reviewing the RFP.
 - Begin asking the interview questions. (See *Develop interview questions*, above).
 - Ask the responder whether he or she has any questions for the Board.
 - Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board's decision.

Conduct a reference check and other background investigation(s).

1. The Board President may perform this check or direct the Director to:
 - Check the ARDC's master roll of attorneys as "Authorized to Practice Law." To do this, enter the attorney's name into the ARDC's registration and public disciplinary records database at: www.iardc.org/lawyersearch.asp.
 - Click on the attorney's name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen.
 - If disciplinary actions are listed, ask the attorney or law firm for more information.
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
3. Call references provided by the responder.

Enter into a written contract with the selected attorney or law firm.

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAC-14-002).
2. Discuss the fee arrangements with the responder and decide:
 - Whether to enter into a fee arrangement or a retainer agreement. Note: Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour

increments. Many Cooperatives enter into a retainer agreement for legal services that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the Cooperative needs him or her. Cooperatives find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.

- The appropriate scope of services.

3. Review the written contract (*Agreement for Legal Services*) for these provisions:

- Fee arrangement.
- Scope of services.
- Who will be providing legal services?
- A statement that the Board controls all legal decisions.
- A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it.
- Board's right to terminate the services of the attorney and law firm at any time for any reason.

4. Approve the *Agreement for Legal Services* during an open Board meeting.

Announce the appointment to Cooperative staff and community.

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
 - The Board appointed [attorney's name or law firm name] as the Board Attorney.
 - The appointment will begin on [date] for [length of time].
 - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner. [Attorney or law firm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge.

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Governing Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

A single motion calling for a series of closed meetings may be adopted by a Governing Board quorum when such meetings will involve the same particular matters and are scheduled to be held within three months of the vote.

No final Governing Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the President or by any three members of the Governing Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the District's administration office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice.

All matters discussed by the Governing Board at any special meeting must be related to a subject on the meeting agenda.

In addition to the other notices specified in this policy, the Superintendent or designee shall post the following on the District website: (1) the annual schedule of regular meetings, which shall remain posted until the Board approves a new schedule of regular meetings; (2) a public notice of all Board meetings; and (3) the agenda for each

meeting which shall remain posted until the meeting is concluded.

2:220 Governing Board Meeting Procedure

Agenda

The Board President is responsible for focusing the Board meetings' agendas on appropriate content. The Director shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Governing Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Governing Board members to the Director or the President shall be placed on the agenda for an upcoming meeting. Persons wishing to propose items for consideration on the agenda of either the Directors' Advisory Committee or Governing Board must submit their request in writing, together with a written summary of the proposal, at least eight (8) days in advance of the meetings. All items proposed for inclusion on the agenda by the public must first be discussed/considered at a meeting of the BHASED Directors' Advisory Committee prior to presentation to the Governing Board. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Director shall provide a copy of the agenda, with adequate data and background information, to each Governing Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with policy 2:200, *Types of Governing Board Meetings*.

The Board President shall determine the order of business at regular Governing Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Governing Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes shall be rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Governing Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Governing Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, the members making the motion and the second; and
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Governing Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Governing Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The official minutes are in the custody of the Board Secretary. Open meetings minutes are available for inspection during regular office hours within 10 days after the Board's approval, in the office of the Director or designee, in the presence of the Secretary, the Director or designee, or any Governing Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of a records secretary, an administrative official of the public body, or any elected official of the public body. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Director or designee when the Director is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of a records secretary, an administrative official of the public body, or any elected official of the public body. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Director or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, and/or service to the District. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the School Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Director will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (11th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Governing Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a Board meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, *Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Director or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes..

Logging and Review Process

Step 1. The Board Secretary or Recording Secretary maintains a log of the closed meeting minutes that are unavailable for public inspection. The meeting minutes are logged according to the reason the Board held the closed meeting. 2:220-E6, *Log of Closed Meeting Minutes*.

Step 2. The Board meets in closed session to review the log of unreleased closed meeting minutes. The Board or Recording Secretary brings a copy of all unreleased closed meeting minutes and, if requested, allows Board members to review the actual minutes. The Board identifies which closed meeting minutes or portions thereof no longer need confidential treatment. Use *Report Following the Board's Semi-Annual Review of Closed Meeting Minutes*, below.

Step 3. At least semi-annually in an open meeting, the Board takes action to release for public inspection those minutes, or portions thereof, no longer needing confidential treatment. Use *Action to Accept*, below. Closed meeting minutes will not be released for public inspection if confidential treatment is needed to protect the public interest or the privacy of an individual, including: (1) student disciplinary cases or other matters relating to an individual student, and (2) personnel files and employees' and Board members' personal information.

Step 4. The Board or Recording Secretary: (1) updates the log of unreleased closed meeting minutes to remove any minutes that the Board made available for public inspection; (2) makes a notation on any applicable closed meeting minutes of the Board's action to release it or a portion of it for public inspection; (3) continues to log new closed meeting minutes that the Board has not released for public inspection (2:220-E6, *Log of Closed Meeting Minutes*), and (4) maintains logs for access to closed session minutes pursuant to 5 ILCS 120/2.06(e), amended by P.A. 99-515.

2:220-E8 Exhibit - Governing Board Records Maintenance Requirements and FAQs

Open Meetings Act

The Open Meetings Act (OMA) requires public bodies to "keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording." 5 ILCS 120/2.06(a). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains an open meeting minute's protocol that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review.

Local Records Act

The Local Records Act (LRA) provides that public records, including "any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer" must be preserved unless the State Local Records Commission has given permission to destroy those records. 50 ILCS 205/3 and 7. Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:200, *Governing Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding district records retention protocols and links to web-based record management resources.

Beginning July 1, 2006, any minutes of meetings open to the public posted on the public body's web site shall remain posted on the web site for at least 60 days after their initial posting. 5 ILCS 120/2.06(b).</i> | No. There is no OMA provision permitting the destruction of open meeting minutes, and they must be preserved unless the State Local Records Commission has given permission to destroy them. If a public body would like to destroy open meeting minutes, then it must comply with the LRA and work with its Local Records Commission. It is highly unlikely, however, that the Local Records Commission would approve of their destruction. |

| <p>Yes.</p> <p>OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. However, OMA Section 2.06(d) requires public bodies to meet at least semi-annually to "review minutes of all closed meetings." 5 ILCS 120/2.06(d).</p> <p>Moreover, OMA Section 2.06(c) specifically allows the destruction of closed meeting verbatim recordings only if certain conditions are met, one of which is that "the public body approves minutes of the closed meeting that meet the written minutes requirements of subsection (a) of this Section." 5 ILCS 120/2.06(c)(2). Both of these tasks would be difficult to achieve if closed meeting minutes were not first approved.</p> <p>One practice is to approve closed meeting minutes within the same time frame that open meeting minutes are approved - within 30 days of the meeting or at the next subsequent meeting, whichever is later.</p> | <p>Yes.</p> <p><i>Each public body shall periodically, but not less than semi-annually, meet to review all existing minutes of all prior closed meetings (this includes records from all time that the board has been in existence). 2:230 Public Participation at Governing Board Meetings and Petitions to the Board

For an overall minimum of 30 minutes during each regular and special open meeting, any person may comment to or ask questions of the Board (*public participation*), subject to the reasonable constraints established and recorded in this policy's guidelines below. During public participation, there will be a 20-minute minimum total length of time for any one subject. When public participation takes less time than these minimums, it shall end.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board or Committee only at the appropriate time as indicated on the agenda and when recognized by the President or Chairman.
2. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the person may be allowed to speak for more than five minutes.
3. Observe, when necessary and appropriate, the:
 - a. Shortening of the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak;
 - b. Expansion of the overall minimum of 30 minutes for public participation and/or the 20-minute minimum total length of time for any one subject; and/or
 - c. Determination of procedural matters regarding public participation not otherwise covered in Board policy.
4. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, *Visitors to and Conduct on School Property*.

Petitions or written correspondence to the Board or Committee shall be presented to the Governing Board at the next regularly scheduled Board meeting. Such written communications shall be sent to the secretary of the respective body at least 48 hours in advance of the scheduled meeting.

2:240 Board Policy Development

Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Director. Suggestions from all others may be made to the Board President, the Director, or the Superintendents' Advisory Committee.

A Board Policy Committee will consider all policy suggestions, and provide information and recommendations to the Board.

The Director is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will be affected by a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Director shall seek the counsel of the school attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Governing Board policies are available for public inspection in the administrative office during regular office hours. Copy requests should be made under the District's Access to Public Records Policy.

Board Policy Review and Evaluation

The Governing Board will monitor its policies and consider whether any modifications are required. The Board may use an annual policy review calendar.

Director Implementation

The Board will support any reasonable interpretation of Governing Board policy made by the Director. If reasonable minds differ, the Board will review policy and consider the need for further clarification.

In the absence of Governing Board policy, the Director is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy not established by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

CROSS REF.:2:150 (Committees), 2:250 (Access to District's Public Records), 3:40 (Director)

Adopted: October 15, 2019

2:250 Access to Cooperative Public Records

Full access to the Cooperative's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Director or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the Cooperative's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the Cooperative's response.

Freedom of Information Officer

The Director shall serve as the Cooperative's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Director may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Director of the responsibility for the action that was delegated.

Definition

The Cooperative's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School Cooperative.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the Cooperative's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Director or designee shall instruct Cooperative employees to immediately forward any request for inspection and copying of a public record to the Cooperative's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the Cooperative's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the Cooperative's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the Cooperative's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the Cooperative's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the Cooperative's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the Cooperative's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the Cooperative shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the Cooperative's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), Cooperative auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

Students, parents/guardians, employees, or community members should notify any District Complaint Manager if they believe that the Governing Board, its employees, or its agents have violated their rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding any one of the following:

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the parent(s)/guardian(s) of a student. The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy 2:260, *Uniform Grievance Procedure*.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student, under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Director. The Complaint Manager may request an extension of time. The Director will keep the Board informed of all complaints.

If a complaint contains allegations involving the Director or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Director shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Director's decision, the Complainant or the accused may appeal the decision to the Governing Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Governing Board.

Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days of the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Director or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Director or Governing Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Director shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Director shall appoint at least one Complaint Manager to administer the complaint process in this policy. If possible, the Director will appoint two Complaint Managers,

one of each gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Director shall insert into this policy and keep current the names, addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

Notice

The Director or designee shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

Eligibility Criteria and Selection of Children

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Dept. of Agriculture and distributed by the Ill. State Board of Education. From time to time, the income eligibility guidelines and standards may not be necessary when reimbursements for students' free breakfasts and lunches are claimed through the U.S. Depts. of Agriculture and Education's Community Eligibility Provision (CEP). When claiming the CEP, the District will follow its requirements.

Notification

At the beginning of each school year, by letter, the District shall notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Director shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

Nondiscrimination Assurance

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

Appeal

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Dept. of Agriculture in 7 C.F.R. §245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Director shall establish a hearing procedure for adverse eligibility decisions and provide by mail a copy of them to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.

The Director shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

4:190 Targeted School Violence Prevention Program

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Director or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

The District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policy 7:20, *Harassment of Students Prohibited*.

The District will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

Sexual Harassment Prohibited

The District shall provide a workplace environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. The District provides annual sexual harassment prevention training in accordance with State law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct which has the effect of humiliation, embarrassment or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager. Employees may also report claims using Board policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using Board policy 2:260, then the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

The Director shall insert into this policy the names, addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers.

A supervisor or administrator who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment. The District shall investigate alleged workplace harassment when the Nondiscrimination Coordinator or a Complaint Manager becomes aware of an allegation, regardless of whether a written report or complaint is filed.

A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, i.e., vendor, parent, invitee, etc. Any employee making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, up to and including discharge.

Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing bona fide complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*), and whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430), the Whistleblower Act (740 ILCS 174/), and the Ill. Human Rights Act (775 ILCS 5).

The Director or designee(s) is responsible for recruiting personnel, in compliance with Governing Board policy, and making hiring recommendations to the Superintendents' Advisory Committee and the Governing Board. Educational support personnel applicants are initially screened by the Director or supervisor. The District shall hire the best qualified personnel consistent with budget and staffing requirements, and shall comply with Governing Board policy on equal employment opportunities and minority recruitment. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application form in order to be considered for employment.

Job Descriptions

The Board maintains the Director's job description and directs, through policy, the Director, in his or her charge of the District's administration.

The Director shall develop and maintain a current, comprehensive job description for each position, however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful director candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Director or designee, or if the applicant is a successful director candidate, then the Board President shall notify an applicant if the applicant is identified in either database.

The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Director shall ensure that the District does not engage in any investigation or inquiry prohibited by law, including without limitation, investigation into or inquiry concerning: (1) credit history or report unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; (2) The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria. (3) The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation. (4) The District does not request or require an applicant to disclose wage or salary history as a condition of employment. (5) The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation. (6) claim(s) made or benefit(s) received under Workers' Compensation Act; and (7) access to an employee's or applicant's personal online account, such as social networking website, including a request for passwords to such accounts.

The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position.

Employment Contracts

Upon initial employment and annually thereafter during continuous employment, each Administrative, Certified, and Licensed employee shall be issued and required to sign a Contract of Employment stating the title of the position for which they are hired, the compensation for the position, the length of time the position will be filled, and the date on which the benefits will begin to accrue.

Upon initial employment and annually thereafter during continuous full time employment, each support employee shall be issued an administrative letter stating the title of the position for which they are hired, the compensation for the position, and the date on which the benefits will begin to accrue.

Multiple year contracts may be issued to Administrative Personnel employed by the District according to conditions established by the Superintendents' Advisory Committee and Governing Board and in accordance with the School Code.

Letters of Intent to employ may be issued by the Director prior to the beginning of the school year but are subject to approval by the Governing Board at its September meeting. If approval is given, a contract will be issued.

If the employment is not approved by the Governing Board the employee shall be notified in writing of the reasons for the disapproval. Compensation earned up to the time of the disapproval shall be afforded the employee.

5:35 Compliance with the Fair Labor Standards Act

Job Classifications

The Director will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Sunday until 11:59 p.m. Saturday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's or Director or designee's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Director or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Director. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Professional Personnel - Suspension*. 5:50 Drug-and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests the specific articulable symptoms listed in the Cannabis Regulation and Tax Act (CRTA).

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,

"Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of the Board policy respecting a drug-and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco shall have the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis shall have the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Director shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the employee, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event. The District is not responsible for losses due to an employee's own negligence, losses due to normal wear, or losses due to theft, unless the theft was a result of the District's negligence. Employees must submit the appropriate itemized, signed, standardized form(s) to support any requests for expense advancements, reimbursements, or purchase orders that show the following:

Expense advancement requests must be submitted to the Director or designee on the District's standardized estimated expense approval form for employees. After spending expense advancements, employees must use the District's standardized expense reimbursement form and submit to the Director: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. Any portion of an expense advancement not used must be returned to the District. Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursements and purchase orders may be issued by the Director or designee to employees, along with other expenses necessary for the performance of their duties, provided the expenses fall below the maximum allowed in the Board's expense regulations.

Expense reimbursements and purchase order approvals are not guaranteed and, when possible, employees should seek pre-approval of expenses by providing an estimation of expenses on the District's standardized estimated expense approval form for employees, except in situations when the expense is diminutive. When possible, registration fees will be paid by the District in advance.

Travel

The least expensive method of travel will be used, provided that no hardship will be caused to the employee. Employees will be reimbursed for:

3. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
4. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
5. Taxis, airport limousines, or other local transportation costs.

Meals

Employees will be reimbursed for meal costs and tips up to \$30 per day consistent with the maximum reimbursement amount(s) set by the Board. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.

5:90 Abused and Neglected Child Reporting

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 21, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606 (outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any District employee who believes a student is in immediate danger of harm, shall first call 911.

The report shall include, if known:

1. The name and address of the child, parent/guardian names, or other persons having custody;
2. The child's age;
3. The child's condition, including any evidence of previous injuries or disabilities; and
4. Any other information that the reporter believes may be helpful to DCFS for its investigation.

The employee shall also promptly notify the Director or Building Principal that a report has been made.

Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Director or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Director, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Director or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and Erin's Law Training

The Director or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Director or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.

The Director will encourage all District educators to complete continuing professional development that addresses the traits and identifiers that may be evident in students who are victims of child sexual abuse, including recognizing and reporting child abuse and providing appropriate follow-up and care for abused students as they return to the classroom setting.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center (CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Director shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

The Director shall notify the State Superintendent and the Regional Superintendent in writing when he or she has reasonable cause to believe that a license holder was dismissed or resigned from the District as a result of an act that made a child an abused or neglected child. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special Governing Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

5:120 Employee Ethics; Conduct; and Conflict of Interest

Professional and Appropriate Conduct

All District employees are expected to maintain high standards in their school relationships, to demonstrate integrity and honesty, to be considerate and cooperative, and to maintain professional and appropriate relationships with students, parents, staff members, and others. In addition, the *Code of Ethics for Illinois Educators*, adopted by the Illinois State Board of Education, is incorporated by reference into this policy. Any employee who sexually harasses a student, willfully or negligently fails to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act (325 ILCS 5/), or otherwise violates an employee conduct standard will be subject to discipline up to and including dismissal.

Statement of Economic Interests

The following employees must file a "Statement of Economic Interests" as required by the Illinois Governmental Ethics Act:

1. Director;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Any employee having supervisory authority for 20 or more employees; and
6. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with Section 22-5 of the School Code, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with the Illinois State Board of Education and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in the entity selected for the contract:

1. Any person that has a close personal relationship with an employee that may compromise or impair the employee's fairness and impartiality, including a member of the employee's immediate family or household;
2. An employee's business partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or contracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

The Board expressly disclaims any responsibility for imposing content filters, blocking lists, or monitoring of its employees' personal technology and social media.
8. Be subject to remedial and any other appropriate disciplinary action for violations of this policy ranging from prohibiting the employee from possessing or using any personal technology or social media at school to dismissal and/or indemnification of the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of this policy.

5:180 Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, Cooperative-paid insurance programs, etc.) will be deducted from the Cooperative's compensation liability to the employee. The Governing Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of gross salary.

Those insurance plans privately purchased by the employee and to which the Cooperative does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes an employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Director may recommend this paragraph's use when circumstances strongly suggest that the employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at Cooperative expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

5:185 Family and Medical Leave

To comply with the Family and Medical Leave Act ("FMLA"), the district will grant eligible employees unpaid family and medical leaves of absence under the following terms and conditions. Except as stated below, employees will not receive compensation during a leave of absence.

Introduction

The FMLA allows eligible employees to take up to 12 weeks of job-protected, unpaid leave per year for certain specified reasons, and up to a total of 26 workweeks of leave to care for a family member who is a "covered service-member" recovering from injury or illness incurred during active duty military service.

A description of your rights and responsibilities under the FMLA is included as an Appendix to this policy.

The following is a description of the District's specific policies and procedures relating to FMLA leave.

Eligibility

FMLA leave is available only to certain eligible employees. To be an "eligible employee" under the FMLA, you must:

1. Have been employed by the District for a total of at least 12 months; and
2. Have worked at least 1,250 hours for the District during the twelve months before the date on which your leave is to begin.

Reasons for FMLA Leave

If you are an eligible employee, you may take leave under the FMLA for the following reasons:

- For a serious health condition that makes you unable to perform the essential functions of your job.
- For the birth of your child, and to care for your newborn child.
- For the placement with you of a child for adoption or foster care.
- To care for your spouse, child (who is under 18 years of age or incapable of self-care due to a physical or mental disability), or parent (not parent-in-law), who has a serious health condition.
- To address "qualifying exigencies" that arise because your spouse, son, daughter, or parent is on active duty or call to active duty status with the National Guard or Reserves in support of a contingency operation.
- To care for a spouse, son, daughter, parent, or next of kin who is a "covered service-member", while the covered service-member is undergoing medical treatment, recuperation, or therapy; is in outpatient status; or is on the temporary disability retired list.

Definitions

Eligibility for FMLA leave will be determined in accordance with the definitions set forth in the FMLA and the applicable FMLA regulations in effect at the time your eligibility for leave is being determined. The definitions contained in this policy, including in the section below, are summaries provided for your convenience, and are not intended to modify the definitions set forth in the FMLA or the applicable regulations or to create any right to leave not otherwise required by the FMLA.

A. Serious Health Condition

For purposes of the FMLA, "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:

1. In-patient care (i.e., and overnight stay) in a hospital, hospice, or residential medical care facility, or any period of incapacity or subsequent treatment connected with such in-patient care; or
2. Any period of incapacity (i.e., inability to work, attend school, or perform other regular daily activities due to the condition, treatment for the condition, or recovery from treatment), which is:
 - a. More than three consecutive calendar days and involves:
 - i. One in-person treatment by a health care provider, a nurse under direct supervision of a health care provider, or by a provider of health care services (e.g., a physical therapist) under orders of, or on referral by a health care provider, followed by a second in-person treatment visit that occurs (absent extenuating circumstances) within 30 days of the first day of incapacity; or
 - ii. One in-person treatment by a health care provider, a nurse under direct supervision of a health care provider, or by a provider of health care services (e.g., a physical therapist) under orders of, or on referral by a health care provider, that results in a continuing regimen of continuing treatment under the supervision of a health care provider; or
 - b. Due to pregnancy or prenatal care; or
 - c. Due to a chronic condition that requires periodic visits (at least twice per year) for treatment by a health care provider, or by a nurse under direct supervision of a health care provider, that continues over an extended period of time, and that may cause episodic rather than a continuing period of incapacity (for example, asthma, diabetes, epilepsy, etc.); or
 - d. Permanent or long-term conditions for which treatment may not be effective, but for which you or your family member are under the continuing supervision of (but need not be receiving active treatment by) a health care provider; or
3. Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive, full calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.) or kidney disease (dialysis).

Ordinarily, the common cold, the flu, ear aches, upset stomach, minor ulcers, headaches other than migraines, routine dental or orthodontic problems, periodontal disease, etc., are examples of conditions that do not meet the definition of a serious health condition and do not qualify for FMLA leave.

With regard to substance abuse (including alcohol abuse), FMLA leave may be taken only for treatment of substance abuse by or on referral from a health care provider. Absences caused by the employee's use of the substance, rather than for treatment, do not qualify for FMLA leave.

B. Health Care Provider

For purposes of the FMLA, "health care provider" means:

- A doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the state in which the doctor practices;
- Podiatrists, dentists, clinical psychologists, optometrists, and chiropractors (limited to treatment consisting of manual manipulation of the spine to correct a subluxation as demonstrated by x-ray to exist), authorized to practice in the state and performing within the scope of their practice as defined under state law;
- Nurse practitioners, nurse midwives, clinical social workers and physician assistants who are authorized to practice under state law and who are performing within the scope of their practice under state law;
- Christian Science practitioners listed with the First Church of Christ Scientist in Boston, Massachusetts;
- Any health care provider from whom the District or the District's group health plan will accept certification of the existence of a serious health condition to substantiate a claim for benefits; and
- A health care provider listed above who practices in a country other than the United States, who is authorized to practice in accordance with the law of that country, and who is performing within the scope of his or her practice as defined under such law.

For purposes of the FMLA, "authorized to practice in the state" means that the health care provider is authorized by state law to diagnose and treat physical or mental health conditions.

C. Qualifying Exigency

For purposes of FMLA leave to address a "qualifying exigency" that arises because an employee's spouse, son, daughter, or parent is on active duty or call to active duty status with the National Guard or Reserves in support of a contingency operation, the term "qualifying exigency" means the following:

- Issues that arise from the fact that a covered military member is notified of an impending call or order to active duty in support of a contingency operation seven or fewer days before the date of deployment. Employees are eligible for leave for this purpose for a period of seven calendar days beginning on the day the covered military member is notified of an impending call or order to active duty in support of a contingency operation.
- Attending military events and related activities, such as ceremonies, programs and briefings sponsored by the military, military service organizations, or the American Red Cross, that are related to the active duty or call to active duty status of a covered military member.
- Attending to childcare and school-related activities arising from a covered military member's active duty or call to active duty status, such as arranging for alternative childcare, providing childcare on an urgent, immediate need basis (but not on a routine, regular, or everyday basis), enrolling in or transferring a child to a new school or day care facility, attending meetings with staff at a school or day care facility.
- Making financial and legal arrangements to address the covered military member's absence while on active duty or call to active duty status.
- Acting as the covered military member's representative before a government agency for purposes of obtaining, arranging, or appealing military service benefits while a covered military member is on active duty or call to active duty status and for a period of 90 days following the termination of the active duty status.
- Attending counseling provided by someone other than a health care provider for oneself, for the covered military member, or his or her child;
- To spend time with a covered military member who is on short-term, temporary rest and recuperation leave during the period of deployment. Eligible employees may take up to five days of leave for each instance of rest and recuperation.
- To attend to post-deployment activities, including official ceremonies and programs sponsored by the military for a period of 90 days following the termination of a covered military member's active duty status, and to address issues arising from the death of a covered military member while on active duty status, such as recovering the body and making funeral arrangements.
- Additional activities as agreed upon by the District and the employee.

D. Covered Service-member

For purposes of FMLA leave to care for a covered service-member, a "covered service-member" is a current member of the Armed Forces, including the national Guard or Reserves, or who is a member of the Armed Forces, the National Guard or Reserves on the temporary disability retired list, who has a serious injury or illness incurred in the line of duty on active duty for which he or she is undergoing medical treatment, recuperation, or therapy, or otherwise in outpatient status, or otherwise on the temporary disability retired list. Former members of the Armed Forces, Reserves, or National Guard, and those on the Disability Retired List, are not "covered service-members."

To be entitled to leave to care for a covered service-member, an employee must be the covered service-member's spouse, son or daughter, parent, or next of kin. "Next of kin" means the nearest blood relative, other than spouse, parent, son or daughter, in the following order of priority: blood relatives granted legal custody over the covered service-member by court decree or statutory provisions, brothers and sisters, grandparents, aunts and uncles, and first cousins. If the covered service-member has specifically designated in writing another blood relative as his or her nearest blood relative for purposes of military caregiver leave under the FMLA, that relative (and only that relative) will be the covered service-member's next of kin. When no such designation is made and there are multiple family members with the same level of relationship to the covered service-member, all such family members are considered the covered service-member's next of kin.

Amount of Leave

Generally, eligible employees are entitled to take up to 12 weeks of leave in a single 12-month period for the reasons specified above.

For the purposes of this policy, the District will use a "rolling" 12-month period measured backward from the date an employee uses any FMLA leave. Available leave is determined by subtracting the number of weeks of FMLA leave taken during this 12-month "look back" period from the 12-week total allowed.

Any leave taken for the birth or care of a child or the placement of a child for adoption or foster care must be completed within one year after the date of birth or placement.

If both you and your spouse are employed by the District and eligible for FMLA leave, you will be permitted to take only a combined total of 12 weeks of leave during a 12-month period if leave is for the birth and care of a child, the placement of a child for adoption or foster care, or to care for a parent (not a parent-in-law) with a serious health condition.

Eligible employees are also entitled to up to 26 work-weeks of leave in a single 12-month period to care for a spouse, son, daughter, parent, or next of kin who is a "covered service-member." The 12-month period for leave to care for a covered service-member begins on the first day that an employee takes leave to care for a covered service-member. During this period, the employee is entitled to a combined total of 26 work-weeks of leave for any FMLA-qualifying reason, no more than 12 weeks of which may be for reasons other than to care for a covered service-member.

This leave is applied on a per-covered-service-member, per-injury basis, meaning that an employee is entitled to only one 26-work-week allotment of leave per covered service-member (unless the covered service-member is later re-injured in the line of active duty). If both you and your spouse are employed by the District and are eligible for FMLA leave, you will be permitted to take only a combined total of 26 work-weeks of leave during the single 12-month period for this reason.

How to Request FMLA Leave

If you need to take time off for reasons that you believe qualify for FMLA leave, you must notify the District's Human Resources Department of your need for time off. Whenever practicable, you must do so at least 30 days before you expect your leave to begin. If you cannot practicably provide 30 days' notice, you must notify Human Resources of your need for time off as soon as practicable. Whenever practicable, you will be expected to provide the notice required under this policy by submitting a completed and signed Leave Request Form to Human Resources. When it is not practicable to do so (for example, if you are unexpectedly absent due to a medical emergency), then you must contact Human Resources at 309-796-2500. You will then be required to submit a completed Leave Request Form to Human Resources as soon as practicable under the circumstances. In all cases, it is your responsibility to provide Human Resources with sufficient information to determine whether your request for time off qualifies as FMLA leave, and to advise Human Resources of the expected timing and duration of your leave.

You must also comply with the District's usual and customary policies and procedures for reporting absences. You must follow these procedures *each day you are absent*, unless your absence for that day has been scheduled and approved in advance.

Failure to comply with the notice requirements in this policy, with the District's absence reporting policies and procedures, or to provide documentation or information requested by Human Resources may result in delay or denial of requested time off and/or discipline up to and including termination of employment.

Intermittent and Reduced Schedule Leave

When taking FMLA leave for your own serious health condition, to care for a family member with a serious health condition, or to care for a covered service-member, you may take FMLA leave on an intermittent or reduced schedule basis, if the required health care provider's certification indicates that this is medically necessary. FMLA military family leave may also be taken on an intermittent or reduced schedule basis when necessary due to a qualifying exigency.

If you require intermittent or reduced schedule leave, you will be expected to consult with Human Resources to work out a schedule for such leave that meets your needs without unduly disrupting the district's operations, subject to approval by the health care provider.

Likewise, if you need FMLA leave due to planned medical treatment for your own or a family member's serious health condition, you will be expected to consult with Human Resources to work out a treatment schedule that best suits your needs and the needs of the District, subject to approval by the health care provider. In some circumstances, the District may alter your existing job (while existing pay and benefits), or may temporarily transfer you to a different position with equivalent pay and benefits, to better accommodate your intermittent or reduced schedule leave.

The District may consider requests for intermittent or reduced schedule leave due to the birth, adoption or foster placement of a child, but is not obligated to grant such requests, and will do so only at its sole discretion.

Special Rules for Instructional Employees

For purposes of FMLA, instructional employees are those employees whose principal function is to teach and instruct students in a class, small group, or an individual setting, including teachers and athletic coaches. It does not include teacher aides who do not actually teach or instruct, social workers, curriculum specialists, or other auxiliary personnel.

A. Intermittent Leave

If an instructional employee requests intermittent or reduced schedule leave to care for a family member, a covered service-member, or for the instructional employee's own serious health condition, and the instructional employee would be on leave for more than twenty percent of the instructional employee's total number of working days over the period the leave would extend, the district may require the instructional employee to choose whether to:

- Take leave for a period of particular duration, not greater than the duration of the planned treatment, or
- Temporarily transfer to an available alternative position with equivalent pay and benefits which better accommodates the recurring periods of leave.

Leave taken by an instructional employee for a period that ends with the school year and begins with the next school year is taken consecutively rather than intermittently. Any period during summer vacation when the employee would not have been required to report for duty will not be counted against the employee's FMLA leave entitlement.

B. Limitations on Leave Near the End of an Academic Term

If an instructional employee begins FMLA leave more than five weeks before the end of a semester, the District may require the employee to continue taking leave until the end of the semester if the leave will last at least three weeks, and the employee would return to work during the three-week period before the end of the semester.

If an instructional employee begins FMLA leave during the five-week period before the end of a semester because of the birth of a son or daughter, the placement of a son or daughter for adoption or foster care, to care for a family member with a serious health condition, or to care for a covered service-member, the District may require the employee to continue taking leave until the end of the semester if the leave will last more than two weeks, and the employee would return to work during the two-week period before the end of the semester.

If an instructional employee begins leave during the three-week period before the end of a semester because of the birth of a son or daughter, the placement of a son or daughter for adoption or foster care, to care for a family member with a serious health condition, or to care for a covered service-member, the District may require the employee to continue taking leave until the end of the semester if the leave will last more than five working days.

If an employee who is ready and able to return to work is required to remain on leave until the end of the semester under this section, only the period of leave until the employee is ready and able to return to work will be charged against the employee's 12-week FMLA leave entitlement, but the employee will have the same rights with respect to benefits and job restoration as if the period were FMLA leave.

Eligibility Notice

After you give notice of your need for FMLA leave, the District will provide you with a written notice advising you whether or not you are an "Eligible Employee" under the FMLA. The District will provide this eligibility notice within five business days after you give notice of your need to leave, absent extenuating circumstances. If you later make another request for FMLA leave within the same 12-month period, the District may elect not to provide another eligibility notice, unless your status as an eligible employee has changed. Note that even if you are an "eligible employee" under the FMLA, your request for leave may be denied if the District determines that your leave is not for an FMLA-qualifying reason, or if you have exhausted all available leave under the FMLA.

At the same time as it provides the eligibility notice, the District will provide you with a written notice advising you of any applicable rights and responsibilities relating to your requested FMLA leave.

Certification

It is your responsibility to provide the District with any information needed to determine whether your leave qualifies as FMLA leave. The FMLA requires you to respond to reasonable requests for information regarding your leave, and your failure to do so may result in delay or denial of your requested leave. In addition, you may be required to provide the certifications described below. It is your obligation to provide a complete and sufficient certification form to the District within 15 calendar days after the District requests it. If it is not practicable for you to provide a completed, sufficient certification form within 15 days despite your diligent, good faith efforts to do so, you must contact Human Resources to explain the situation.

If you return a certification form but it is incomplete (i.e., one or more items are left blank) or insufficient (i.e., responses are vague, illegible, ambiguous, or non-responsive), the District will notify you of the deficiency. You will then have 7 calendar days to provide a complete, sufficient certification. If it is not practicable for you to provide a completed, sufficient certification form within 7 days despite your diligent, good-faith efforts to do so, you must contact the District to explain the situation. Failure to provide a complete, sufficient certification may result in delay or denial of your requested time off and/or discipline up to and including termination of your employment.

A. Certification of a Serious Health Condition

If you are requesting FMLA leave due to your own serious health condition, or to care for a family member with a serious health condition, you will be required to provide a health care provider's certification on a form that will be provided by the District.

Authentication and Clarification

The District may contact the health care provider to authenticate a completed certification form by providing the health care provider a copy of the form and requesting verification that the information contained on the form was written or authorized by the health care provider who signed the document.

Additionally, the District may request clarification of information on the certification form, and may ask you to sign, or have your family member sign, a release form authorizing the health care provider to communicate with the District for the purpose of clarifying the certification. If the certification is unclear and you fail to provide a signed authorization or otherwise clarify the certification, the District may deny your request for FMLA leave.

Second and Third Opinions

The District may require you to obtain a second certification at the District's expense from a health care provider designated by the District. If the second health care provider's certification differs from your health care provider's certification, the District may require you to obtain certification from a third health care provider, again at the District's expense. The third health care provider will be designated or approved jointly by you and the District. You and the District are required to act in good faith to attempt to reach agreement on a third health care provider. The third opinion will be final and binding.

Recertification

If you take leave due to your own or a family member's serious health condition, you may be required to submit a complete and sufficient recertification from your health care provider as often as every 30 days in conjunction with an absence. If your health care provider's initial certification specifies that the minimum duration of the condition for which you are taking leave is longer than 30 days, you may be required to submit a recertification in conjunction with an absence when the minimum duration expires, or every six months, whichever is less. You also may be required to provide a recertification if you request an extension of leave, the circumstances described in the original certification have changed significantly, or the District receives information raising doubt as to your eligibility for FMLA leave. The District will provide you with the required recertification form when a recertification is required.

B. Certification of a Qualifying Exigency

If you request FMLA leave due to a qualifying exigency arising out of the active duty or call to active duty status of a covered military member, you will be required to submit a complete and sufficient certification form provided to you by the District, and to provide the documentation requested therein. If the qualifying exigency for which you are taking leave involves a meeting or appointment with a third party, the District may contact the third party for purposes of verifying the meeting or appointment and the nature of the meeting or appointment. The District also may contact an appropriate unit of the Department of Defense to request verification that the covered military member is on active duty or call to active duty status.

C. Certification for a Covered Service-member

If you request leave to care for a covered service-member with a serious injury or illness, you will be required to obtain a certification from the service-member's authorized health care provider on a form provided to you by the district. Any one of the following may complete this certification: A.U.S. Department of Defense ("DOD") health care provider; a U.S. Department of Veteran's Affairs health care provider; a DOD TRICARE network authorized private health care provider; or a DOD non-network TRICARE authorized private health care provider.

The District may contact the health care provider to authenticate a completed certification form by providing the health care provider a copy of the form and requesting verification that the information contained on the form was written or authorized by the health care provider who signed the document.

Additionally, the District may request clarification of information on the certification form, and may ask that the covered service-member sign a release authorizing the health care provider to communicate with the District for the purpose of clarifying the certification. If the certification is unclear and you fail to provide a signed authorization or otherwise clarify the certification, the District may deny your request for FMLA leave.

Designation of FMLA Leave

The District will provide you with a written notice advising whether your leave will be designated as FMLA leave. Absent extenuating circumstances, the District will provide this notice within five business days after it receives sufficient information to determine whether your requested leave is for an FMLA-qualifying reason. If the District does not provide the designation notice within the time specified above, the District may retroactively notify you that time off will be designated as FMLA leave if the delay in providing this notice does not cause you harm or injury, or if you and the District agree that the time off will be designated as FMLA leave.

While You Are on FMLA Leave

A. Unpaid Leave and Substitution of Paid Leave

FMLA leave is generally unpaid. However, if you have any vacation, personal or other paid leave available to you under applicable District policies or collective bargaining agreements, you will be required to use this paid leave concurrently with your FMLA leave, and to exhaust any available paid leave before any unpaid portion of your FMLA leave commences.

B. Health Benefits

If you are enrolled in the District's group insurance plans and wish to continue this coverage while you are on FMLA leave, you will be responsible for paying the employee share of the premiums during any period of FMLA leave. The District will provide you with instructions for paying health insurance premiums during your leave. The District will continue to pay its share of the premiums for your group health insurance coverage while you are on FMLA leave, unless you notify the District of your intent not to return to work following leave. If you do not pay your share of health insurance premiums while you are on FMLA leave, you may be dropped from plan coverage until you return to work.

If you do not return to work upon completion of your FMLA leave, you may be required to repay the District for any premiums paid by the District to maintain your group health insurance coverage during your leave, unless the failure to return to work was due to the recurrence or onset of a serious health condition or injury or illness of a covered service-member, which would otherwise entitle you to FMLA leave, or due to other circumstances beyond your control. In this event, you may be required to provide certification of the reason for your failure to return to work.

C. Other Benefits

Consistent with District policy for all types of leave, you will not accrue vacation or personal leave or other benefits while you are on FMLA leave. Additionally, you will not be paid for holidays that occur during the leave. However, the leave period will be treated as continuous service (i.e., no breach of service) for purposes of vesting and eligibility to participate in the Illinois Teacher Retirement System or Illinois Municipal Retirement System.

D. Outside Employment

You may not perform work for another employer while you are on leave under this policy.

Reporting Requirements During Leave

While on FMLA leave, you may be required to contact Human Resources periodically to report on your status and confirm your intention to return to work on the scheduled date.

If you require an extension of FMLA leave, it is your responsibility to notify the District at least two business days before the expiration of your initial leave. Conversely, if you are able to return to work before the expiration of your initial leave, you must notify the district at least two business days before you return to work.

Reinstatement at the Conclusion of Leave

If you timely return from FMLA leave and used the leave for the stated purpose, you generally will be reinstated to the same position you held when you began your leave, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment. For purposes of this policy, "equivalent position" is determined in accordance with applicable school board policies and practices and any applicable collective bargaining agreement, but includes any general pay increases or benefit enhancements granted during your FMLA leave. However, you may not be reinstated if your employment would have terminated for reasons unrelated to your FMLA leave, or if you are unable to perform any essential functions of your job (with or without any required accommodations).

Additionally, the FMLA provides a limited exception to the District's reinstatement obligation for "key" employees. A "key" employee is a salaried, FMLA-eligible employee who is among the highest-paid 10% of employees located within 75 miles of the work site in question. Under limited circumstances where restoration to employment will cause substantial and grievous economic injury to its operations, the District may deny reinstatement to a key employee after FMLA leave. The District will notify you if you are a "key" employee at the time leave is requested, will notify you if it decides to deny restoration, and will provide you a reasonable opportunity to return to work after providing such notice.

Before returning to work from FMLA leave due to your own serious health condition, you may be required to submit a certification from your health care provider that you are able to resume work. If such a certification is required, the certification must specifically confirm that you are able to perform the essential functions of your position, as set forth in the job description provided to you by the District.

Prohibitions

Consistent with the District's policy regarding all types of leave, the following conduct is strictly prohibited in relation to FMLA leave:

- Engaging in fraud, misrepresentation or providing false information to the District or any health care provider.
- Having other employment during the leave, without prior written approval from the District.
- Failure to comply with the employee's obligations under this policy.
- Failure to timely return from the leave.

Employees who engage in such conduct will be subject to loss of benefits, denial of termination of leave, and discipline, up to and including discharge.

The District's Commitment

The District will not interfere with, restrain, or deny the exercise of any right provided by the FMLA, nor will it discharge or discriminate against any individual for opposing any practice or involvement in any proceeding relating to the FMLA. The District recognizes the co-existence of state and/or local laws regarding family and medical leave. Where such laws apply and provide greater family and medical leave rights than the FMLA, the District will comply with those laws.

Beginning July 1, 2020, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

Please refer to the **Collective Bargaining Agreement Between Blackhawk Area Special Education District and Blackhawk Area Special Education Association-IEA-NEA**.

For those not covered by this agreement:

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. If the employee does not appeal the pre-suspension notification, the Director or designee shall report the action to the Board at its next regularly scheduled meeting.

The Director shall meet with the professional employee to present the allegations and give the professional employee an opportunity to refute the charges. The professional employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Director or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
 - a. A suspension with pay, or
 - b. A suspension without pay.

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Sabbatical Leave

Sabbatical leaves may be granted at the discretion of the Governing Board upon recommendation of the Director and the Superintendents' Advisory Committee.

All sabbatical leaves shall be governed by the provisions of the School Code and by any regulations established by the Superintendents' Advisory Committee or Governing Board.

Unpaid Leaves Other Than FMLA Leave

Eligible employee: Employees who have two or more years of successful experience with BHASED shall be eligible to apply for all leaves of absence without pay under this Section. Employees who have less than two years of experience with the District shall be eligible for leaves for illness, including illness related to pregnancy and child birth and parenthood leaves.

Within such parameters, the Governing Board, upon the recommendation of the Director and SAC, may in its discretion grant an unpaid leave of absence to the following employees:

1. Employees who are not otherwise eligible for a paid leave under BHASED policies or a leave of absence without pay under the Family Medical Leave Act or,
2. Employees who have exhausted their unpaid leave under FMLA and paid leave if any, under BHASED policies.

Purpose of the Leave: Such leaves may be for the purposes of voluntarily serving in the military and excludes when an employee in the reserves is "activated", extended illness, including illness related to pregnancy and child birth, temporary disability, caring for a seriously ill or temporarily disabled member of the immediate family, parenthood, participation in a teacher exchange program, serving in the Teacher Corps, advanced study, serving as an officer of a national professional education organization, or other approved professional development activity.

Immediate family is defined as: parents, spouse, brothers, sisters, children, step-children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law and legal guardians.

Duration of Leave: Unpaid leaves under this section shall not exceed twelve weeks per year in duration, or as otherwise stated herein, except by approval of the Governing Board.

Return to Employment: Employees returning from approved leaves may be required to submit a report verifying that such leave was used for the purpose for which it was granted or that they are physically capable of returning to work. Employees returning from approved leaves shall be assured of employment in the District in a capacity for which they are qualified but not necessarily the same position held prior to the leave. Employees returning from a leave of at least twelve weeks shall not be granted a salary increment for that year's leave.

Requests for leave(s) for participation in teacher exchange program, serving in the Teacher Corps, advanced study, serving as an officer of a national professional education organization, or other approved professional development activity must be made no later than four (4) months prior to the effective date of the leave.

Requests for serving in the military, extended illness, temporary disability, or for caring for a seriously ill, temporarily disabled member of the immediate family shall be made as soon as the employee foresees the necessity for the leave. Sick leave shall not accumulate while the employee is on such leave.

Requests for leave for extended illness related to pregnancy or birth of a child must be filed with the Director not later than sixty (60) days prior to the anticipated date of delivery, except in the case of a health care provider substantiated emergency, and shall state the expected date of return. In the event that the employee does not return on the agreed date, the Director may require that the employee provide a written statement from her health care provider stating that the employee is not physically capable to perform her duties.

For leaves requested for the purpose of participation in a teacher exchange program, serving in the Teacher Corps, advanced study, serving as an officer of a national professional education organization or other approved professional development activity or unpaid leaves for any other purpose as defined and approved in this policy which exceed twelve weeks or serving in the military, notice of the desire to return from the leave shall be given and, failure to return within the specified time limits shall be treated as a violation of the leave agreement and the employee shall be considered as having abandoned their employment and waived all rights to continued employment and reinstatement. Sick leave shall not accumulate while the employee is on such leave.

Subject to the approval of the Board and the insurer issuing the policy, the employee may, during this leave time, remain in the group health and life insurance programs by paying the full cost of his or her premium to the District Business Office at a date to be specified by the Director of the District.

Parenthood Leave - Male and female employees may, upon request and approval by the Board, be granted up to a one year leave of absence without pay for child rearing purposes as a result of the birth of a child, adoption or foster care of a child. No fringe benefits shall accrue during this leave.

Subject to the approval of the Board and the insurer issuing the policy, the employee may, during this leave time remain in the group health and life insurance programs by paying the full cost of his or her premium to the District Business Office at a date to be specified by the Director of the District.

Illness/temporary disability caused or contributed to by pregnancy, childbirth or related conditions shall be treated the same as disabilities caused or contributed to by other medical conditions in the granting of leave of absence without pay.

BHASED will require that any leave taken under this policy shall be credited against the employee's FMLA Leave, if the employee is eligible for FMLA Leave for the same

purposes.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leaves for Victims of Domestic Violence, Sexual Violence, or Gender Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, or gender violence, or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, or gender violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Final Paycheck

A terminating employee's final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. 5:310 Compensatory Time-Off

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, 29 U.S.C. §201 et seq., and (2) are not represented by an exclusive bargaining representative.

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime work that was previously approved by their supervisor and Director or designee. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 60 hours, which represents compensation for 40 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off. Employees in the last four years of employment prior to retirement shall not be eligible for monetary pay-out and shall be encouraged to use their accumulated time.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least hourly components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

Implementation

The Director or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

Sick Leave and IMRF Service Credit Plan

Please refer to the Collective Bargaining Agreement Between Blackhawk Area Special Education District and Blackhawk Area Special Education Association-IEA-NEA.

For those not covered by this agreement:

The following persons shall be provided not less than ten (10) paid days of sick leave each school year.

All educational support employees who are eligible to participate in the Illinois Municipal Retirement Fund under the "600 Hour Standard" as provided in the regulations and/or guidelines of the Illinois Municipal Retirement Fund shall be provided not less than ten (10) paid days of sick leave each school year. Reference 105 ILCS 5/24-6.

Full time employees employed nine (9) to eleven (11) months per year and who work five (5) days per week shall receive twelve (12) days of paid sick leave per year. Full time employees who are employed nine (9) to eleven (11) months per year, working less than five days per week, shall receive ten (10) days of paid sick leave per year. Full time employees employed for twelve (12) months per year shall receive fifteen (15) days of paid sick leave per year. The aggregate sick leave available to each employee is calculated as described below. No sick leave is provided until the employee reports to work on their first day.

Sick days per se shall be consistent in length with the employee's regular workday on the "day" they take off sick. For example, employees with 4.0, 7.5 or 8.0 hour/day contracts have "sick days" equal to 4.0, 7.5 or 8.0 hours respectively. A staff member taking off "sick" all day on a day they are contracted to work 4.0 is docked 4.0 hours from the aggregate sick leave to which they are entitled.

Sick leave may be used in minimum of one (1) hour units. The aggregate available sick leave per employee will be determined by multiplying the number of "days" of sick leave to which they are entitled by the average hourly length of their work-day rounded to the nearest quarter hour. For example: A ten month employee is entitled to 12 "days" of sick leave per year and is contracted to work for four days/week @ 7.5 hours/day and one day/week @ 3.5 hours. The total contract hours in the week = 33.5 and the average work day length = 6.7 or 6 hours and 45 minutes. The aggregate sick leave to which they are entitled per year is 12 x 6 hours and 45 minutes = 81 hours.

Paid sick days under this Policy will be available for the reasons specified in the School Code, i.e. personal illness (including illness related to pregnancy and child birth), quarantine at home, serious illness or death in the immediate family or household, or birth, adoption or placement for adoption. Immediate family is defined as: parents, spouse, brothers, sisters, children, stepchildren, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law and legal guardians. (Reference 105 ILCS 5/24-6).

Requests for sick leave related to the birth of a child must be filed with the Director as soon as possible but not later than sixty (60) days prior to the anticipated date of delivery, except in the case of a health care provider substantiated emergency, and shall state the expected date of return.

In the event that the employee does not return on the agreed date or within eight weeks, the Director may require that the employee provide a written statement from his/her health care provider stating that the employee is not physically capable to perform his/her duties.

Return to Employment: Employees returning from approved leaves may be required to submit a report verifying that such leave was used for the purpose for which it was granted or that they are physically capable of returning to work. Employees returning from approved leaves shall be assured of employment in the District in a capacity for which they are qualified but not necessarily the same position held prior to the leave.

Illness/temporary disability caused or contributed to by pregnancy, childbirth or related conditions shall be treated the same as disabilities caused or contributed to by other medical conditions in the granting of paid sick leave days under this policy.

Sick leave days may be accumulated from year to year up to the maximum allowed for credit by the Illinois Municipal Retirement Fund for certificated staff plus an additional (5) days of sick leave. Please refer to the applicable collective bargaining agreement(s) for the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon an employee's retirement under the Illinois Municipal Retirement Fund.

Employees may elect to substitute paid sick leave days for unpaid days taken under the FMLA, to the extent the circumstances meet the requirements for the use of sick leave days under BHASED policies, regulations and procedures and as specified in the regulations promulgated under the FMLA.

Sick Leave Bank

1. Administration - A Sick Leave Bank Committee composed of the Director or designee and four (4) employees selected by employees participating in the sick leave bank will be charged with maintaining fair and equitable use of the Bank. Recommendations for guidelines to be used in the administration of the Sick Leave Bank will be submitted to the SAC for approval.
2. Participation - In order to participate in the Sick Leave Bank, an employee must have contributed to the Bank at the beginning of the school year or at the time of employment if hired after the beginning of the school year.
3. Contributions - All employees may voluntarily participate in the sick leave bank by contributing one (1) of their days. All newly hired employees will be given the opportunity to contribute to the sick leave bank. Additional contributions of days to the sick leave bank from Sick Leave Bank participant members may be requested in an emergency if approved by the Sick Leave Bank Committee and SAC. However, no employee will be required to contribute sick days to the Bank.

Any employee who has contributed to the Sick Leave Bank may not withdraw the donated day(s) when leaving employment.

4. Granting Sick Days From Bank
 - a. Sick Leave Bank days may be granted by the Sick Leave Bank Committee for a catastrophic illness of the employee or immediate family members.
 - b. In anticipation of need, requests may be made before the employee has exhausted his/her accumulated sick leave. However, an employee must have exhausted his/her accumulated paid sick leave before using days donated by the Sick Leave Bank.
 - c. An employee requesting days from the Sick Leave Bank must present to the Sick Leave Bank Committee a health care provider's statement of catastrophic illness and a written request citing the estimated number of days requested.
 - d. The maximum number of days allowed to be withdrawn from the Sick Leave Bank per request shall not exceed ten (10) of their days. Any additional days per illness may be requested in writing. The first ten (10) days, per catastrophic illness, may be granted by the Sick Leave Bank Committee alone. Any additional days, up to a total maximum of twenty-five (25), which includes the first ten, of their days per catastrophic illness will be granted by approval of the sick leave bank committee and the Superintendents' Advisory Committee (SAC).
 - e. "Their" days will be calculated as above.

The failure of any student or staff member to follow the terms of the *Authorization for Electronic Network Access*, or this policy, will result in the loss of privileges, disciplinary action, and/or appropriate District's administrative procedure, *Acceptable Use of the District's Electronic Networks*, legal action.

Use of Personal Technology For Personal Use (Staff)

For purposes of this policy, "personal technology" is defined as any device that is not owned or leased by the District or one of its joint agreement members or otherwise authorized for District use or use by one of the District's joint agreement members and that: (1) transmits sounds, images, text, messages, videos, or electronic information; (2) electronically records, play, or stores information; or (3) accesses the Internet or private communication or information networks. Examples include individual-owned laptop computers, tablet computers like iPads®, cell phones, and smartphones like BlackBerry® or iPhone®.

District employees may bring personal technology on District property and may keep such technology powered on during the work day. Employees may only use or access personal technology for personal use, however, during non-work times or hours. Personal use is any use that is not directly related to the employee's District employment functions, and includes, but is not limited to, accessing personal e-mail and personal social media websites such as Twitter, Facebook, and others for non-District approved purposes. Any duty-free use must occur during times and at places that will not lead to a disruption of the school environment or operations, as reasonably defined by the District.

When using personal technology at school, school-related, or school sponsored events, District employees assume all risks associated with such use, including students viewing inappropriate Internet material through the personal technology. The Board expressly disclaims any responsibility for imposing content filters, blocking lists, or monitoring of its employee's personal technology and for indemnifying the employee for any risks associated with such use. Employees who use personal technology on or at any District, District-related, or District-sponsored property or event agree by such use to indemnify the District for any losses, costs, or damages, including reasonable attorneys fees, incurred by the District relating to, or arising out of such use.

Violations of this policy may result in disciplinary action, including but not limited to a prohibition from possessing and/or using personal technology at school and dismissal. The Director or designee shall inform District employees about this policy annually during an in-service, and shall provide a copy of this policy to District employees annually, obtaining a signature the first time the policy is provided signifying receipt by the employee.

1. The non-member district cannot develop the necessary program within a reasonable period of time (one school year) of the student's enrollment in the non-member district.
2. The transportation of the student to the inter-district program can be accomplished by bus within one hour.
3. The non-member district will assume all costs and responsibility for the transportation of the student to the inter-district program.

 - b. The non-member district shall assume full and complete financial responsibility for any and all claims, liabilities, losses, costs, and expenses including reasonable attorneys fees which may be sustained by the BHASED or any of its member districts which arise from (i) any act of the student or (ii) any judicial or administrative proceedings regarding the services rendered to the student and his or her parents.
 - c. Either party may terminate the contract with a thirty-day notice.
 - d. Tuition for said students shall be calculated at 110% of both the actual cost of the instructional program for the inter-district program being considered plus any and all additional services as required by the student's Individual Education Plan.
5. Discussion between the inter-district program team including the inter-district program administrator, the Director or designee from the member district administering the inter-district program, the BHASED Assistant assigned to any member district the student resided in immediately prior to his/her referral to the inter-district program and the BHASED Director.
6. Space exists within the BHASED inter-districts program for the student without displacing or denying placement in the same program to a student residing in one of the member districts.
7. Any exceptions to the above criteria must be approved by the BHASED Director on a case-by-case basis in conjunction with the inter-district program administrator and the Superintendent or designee of the district administering the inter-district program.

7:70 Attendance and Truancy

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age. Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because his or her religion forbids secular activity on a particular day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness, observance of a religious holiday, death in the immediate family, family emergency, other situations beyond the control of the student, other circumstances that cause reasonable concern to the parent/guardian for the student's safety or health, or other reason as approved by the Superintendent or designee.

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and Board policy. The program shall include but not be limited to:

1. A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Superintendent or designee is authorized to determine when the student's absence is justified.
2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran.
3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in the School Code, Section 26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem.
7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, or information about community agency services. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.
8. A process for a 17 year old resident to participate in the District's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous 6 months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *Students School Admissions and Student Transfers To and From Non-District Schools*.
9. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, ~~school resource officers~~, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement.
10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
14. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.

7:100 Health, Eye, and Dental Examinations, Immunizations, and Exclusion of Students

Required Health Examinations and Immunizations

A student's parent(s)/guardian(s) shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth and ninth grades; and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grades 6 and 12.

As required by State law:

1. The required health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician authorizing the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. Beginning with the 2017-2018 school year, an age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parent(s)/guardian(s) of children between the ages of one and seven years must provide a statement from a physician that their child was *risk-assessed* or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parent(s)/guardian(s) information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza, influenza vaccinations, meningococcal disease, and meningococcal vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parent(s)/guardian(s).

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parent(s)/guardian(s) are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parent(s)/guardian(s) of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches or a licensed optometrist must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Director or designee shall ensure that parent(s)/guardian(s) are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parent(s)/guardian(s) are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parent(s)/guardian(s) present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parent(s)/guardian(s) of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease* and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced registered practice nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parent(s)/guardian(s) show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parent(s)/guardian(s) show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. School Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

7:140 Search and Seizure

To maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there. This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Director may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student's personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objectives and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students;
2. In the presence of a school administrator or adult witness; and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Director.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Director or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is **prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require a District or school to staff or monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/27-23.7

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school.

School personnel means persons employed by, on contract with, or who volunteer in a school District, including without limitation school and school District administrators, teachers, school guidance counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Director or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the following requirements:

1. Using the definition of *bullying* as provided in this policy, the Superintendent or designee shall emphasize to the school community that: (1) the District prohibits bullying, and (2) all students should conduct themselves with a proper regard for the rights and welfare of other students. This may include a process for commending or acknowledging students for demonstrating appropriate behavior.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted.

Consistent with federal and State laws and rules governing student privacy rights, the Director or designee shall promptly inform parent(s)/guardian(s) of all students involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.
5. The Director or designee shall promptly investigate and address reports of bullying, by, among other things:
 - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of the incident of bullying was received and taking into consideration additional relevant information received during the course of the investigation about the reported incident of bullying.
 - b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.

- c. Notifying the Building Principal or school administrator or designee of the report of the incident of bullying as soon as possible after the report is received.
- d. Consistent with federal and State laws and rules governing student privacy rights, providing parents and guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the principal or school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Director or designee shall investigate whether a reported act of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

- 6. The Director or designee shall use interventions to address bullying, which may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
- 7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. A student's act of reprisal or retaliation will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
- 8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as *bullying* for purposes of determining any consequences or other appropriate remedial actions.
- 9. The District's bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
- 10. The Director or designee shall post this policy on the District's website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.
- 11. The Director or designee shall assist the Board with its evaluation and assessment of this policy's outcomes and effectiveness. This process shall include, without limitation:
 - a. The frequency of victimization;
 - b. Student, staff, and family observations of safety at a school;
 - c. Identification of areas of a school where bullying occurs;
 - d. The types of bullying utilized; and
 - e. Bystander intervention or participation.

The evaluation process may use relevant data and information that the District already collects for other purposes. The Director or designee must post the information developed as a result of the policy evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students.

- 12. The Director or designee shall fully implement the Board policies, including without limitation, the following:
 - a. 2:260, *Uniform Grievance Procedure*. A student may use this policy to complain about bullying.

 - d. 7:20, *Harassment of Students Prohibited*. This policy prohibits *any* person from harassing, intimidating, or bullying a student based on an identified actual or perceived characteristic (the list of characteristics in 7:20 is the same as the list in this policy).
 - e. 7:185, *Teen Dating Violence Prohibited*. This policy prohibits teen dating violence on school property, at school sponsored activities, and in vehicles used for school-provided transportation.
 - f. 7:190, *Student Behavior*. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.
 - g. 7:310, *Restrictions on Publications; Elementary Schools*, and 7:315, *Restrictions on Publications; High Schools*. These policies prohibit students from and provide consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

7:190 Student Behavior

The goals and objectives of this policy are to provide effective discipline practices that: (1) ensure the safety and dignity of students and staff; (2) maintain a positive, weapons-free, and drug-free learning environment; (3) keep school property and the property of others secure; (4) address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution; and (5) teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in *prohibited student conduct*, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling, or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including marijuana, hashish, and medical cannabis unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited unless the student is authorized to be administered a medical cannabis infused product under *Ashley's Law*.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
 - g. *Look-alike* or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance, or other substance that is prohibited by this policy.
 - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.

4. Using, possessing, controlling, or transferring a *weapon* as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
5. Using or possessing a cellular telephone, electronic signaling device, two-way radio, video recording device, and/or other telecommunication device, unless authorized and approved by the Building Principal.
6. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
7. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a search.
8. Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores.
9. Engaging in hazing or any kind of bullying or aggressive behavior that does physical or psychological harm to a staff person or another student, or urging other students to engage in such conduct. Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying, bullying using a school computer or a school computer network, or other comparable conduct.
10. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the non-disruptive: (a) expression of gender or sexual orientation or preference, or (b) display of affection during non-instructional time.
11. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.
12. Causing or attempting to cause damage to, or stealing or attempting to steal, school property or another person's personal property.
13. Entering school property or a school facility without proper authorization.
14. In the absence of a reasonable belief that an emergency exists, calling emergency responders (such as calling 911); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus, or at any school activity.
15. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truant.
16. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.
17. Being involved in gangs or gang-related activities, including displaying gang symbols or paraphernalia.

19. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
20. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
21. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term *possession* includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive interventions and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Director or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study or Saturday study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended shall also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, *Expulsion Procedures*. A student who has been expelled shall also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program if the student is expelled or otherwise qualifies for the transfer under State law. The transfer shall be in the manner provided in Article 13A or 13B of the School Code.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), *look-alikes*, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

School staff members shall not use time out and physical restraints other than as permitted in Section 10-20.33 of the School Code, State Board of Education rules, and procedures developed by the Director. Neither time out nor physical restraints shall be used to discipline or punish a student.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relation to school shall be expelled for a period of at least one calendar year but not more than 2 calendar years:

1. A firearm, meaning any gun, rifle, shotgun, or weapon as defined by Section 921 of Title 18 of the United States Code (18 U.S.C. § 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including *look-alikes* of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Director, and the Director's determination may be modified by the Board on a case-by-case basis. The Director or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Director or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, Ill. Dept. of State Police (ISP), and any involved student's parent/guardian. *School grounds* includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Director, Building Principal, Assistant Building Principal, or Dean of Students is authorized to impose the same disciplinary measures as teachers and may suspend

students guilty of gross disobedience or misconduct from school (including all school functions) and from riding the school bus, up to 10 consecutive school days, provided the appropriate procedures are followed. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Director, with input from the parent-teacher advisory committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

In-School Suspension

The Director or designee is authorized to maintain an in-school suspension program. The program shall include, at a minimum, each of the following:

1. Before assigning a student to in-school suspension, the charges will be explained and the student will be given an opportunity to respond to the charges.
2. Students are supervised by licensed school personnel.
3. Students are given the opportunity to complete classroom work during the in-school suspension for equivalent academic credit.

Out-of-School Suspension

The Director or designee shall implement suspension procedures that provide, at a minimum, for each of the following:

2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.
3. An attempted phone call to the student's parent(s)/guardian(s).

 - b. Include information about an opportunity to make up work missed during the suspension for equivalent academic credit;
 - c. Detail the specific act of gross disobedience or misconduct resulting in the decision to suspend;
 - d. Provide rationale or an explanation of how the chosen number of suspension days will address the threat or disruption posed by the student or his or her act of gross disobedience or misconduct; and
 - e. Depending upon the length of the out-of-school suspension, include the following applicable information:
 - i. For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose:
 - a) A threat to school safety, or
 - b) A disruption to other students' learning opportunities.
 - ii. For a suspension of 4 or more school days, an explanation:
 - a) That other appropriate and available behavioral and disciplinary interventions have been exhausted,
 - b) As to whether school officials attempted other interventions or determined that no other interventions were available for the student, and
 - c) That the student's continuing presence in school would either:
 - i) Pose a threat to the safety of other students, staff, or members of the school community, or
 - ii) Substantially disrupt, impede, or interfere with the operation of the school.
 - iii. For a suspension of 5 or more school days, the information listed in section 4.e.ii., above, along with documentation by the Director or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension.
5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Director or designee.
6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Director or designee shall invite a representative from the Department of Human Services to consult with the Board. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above.

7:260 Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

Alternative activities and/or units of instruction will be provided for pupils whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents their participation in the physical education courses.

State law prohibits a board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the Cooperative.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Director or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases;
2. The student's class schedule

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No Governing Board employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form (*SMA Form*) is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A *qualifying plan* means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an Ill. Food Allergy Emergency Action Plan and Treatment Authorization Form, (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a *qualifying plan*. A student's parent/guardian must indemnify and hold harmless the District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a *qualifying plan*.

School District Supply of Undesignated Glucagon

The Director or designee shall implement 105 ILCS 145/27 and maintain a supply of undesignated glucagon in the name of the District in accordance with manufacturer's instructions.

When a student's prescribed glucagon is not available or has expired, a school nurse or delegated care aide may administer undesignated glucagon only if he or she is authorized to do so by a student's diabetes care plan.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the District;
 - c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Glucagon** section of the policy is void whenever the Director or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for glucagon from a qualifying prescriber, or (2) fill the District's prescription for undesignated school glucagon.

The **Administration of Medical Cannabis** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Administration of Undesignated Medication

Upon any administration of an undesignated medication permitted by State law, the Director or designee(s) must ensure all notifications required by State law and administrative procedures occur.

Undesignated Medication Disclaimers

Upon implementation of this policy, the protections from liability and hold harmless provisions applicable under State law apply.

No one, including without limitation, parents/guardians of students, should rely on the District for the availability of undesignated medication. This policy does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

7:290 Suicide and Depression Awareness and Prevention

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important Board goals.

Suicide and Depression Awareness and Prevention Program

The Director or designee shall develop, implement, and maintain a suicide and depression awareness and prevention program (Program) that advances the Board's goals of increasing awareness and prevention of depression and suicide. This program must be consistent with the requirements of Ann Marie's Law listed below; each listed requirement, 1-6, corresponds with the list of required policy components in the School Code Section 5/2-3.166(c)(2)-(7). The Program shall include:

2. Procedures for methods of suicide prevention with the goal of early identification and referral of students possibly at risk of suicide. Implementation will incorporate:
 - a. The training required by 105 ILCS 5/10-22.39 for licensed school personnel and administrators who work with students to identify the warning signs of suicidal behavior in youth along with appropriate intervention and referral techniques, including methods of prevention, procedures for early identification, and referral of students at risk of suicide; and
 - b. Ill. State Board of Education (ISBE)-recommended guidelines and educational materials for staff training and professional development, along with ISBE-recommended resources for students containing age-appropriate educational materials on youth suicide and awareness, if available pursuant to *Ann Marie's Law* on ISBE's website.
3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide. Implementation will incorporate paragraph number 2, above, along with:
 - a. Board policy 6:65, *Student Social and Emotional Development*, implementing the goals and benchmarks of the Ill. Learning Standards and 405 ILCS 49/15(b) (requiring student social and emotional development in the Cooperative's educational program);

6. A process to incorporate ISBE-recommended resources on youth suicide awareness and prevention programs, including current contact information for such programs in the Cooperative's Suicide and Depression Awareness and Prevention Program.

Illinois Suicide Prevention Strategic Planning Committee

The Director or designee shall attempt to develop a relationship between the Cooperative and the Illinois Suicide Prevention Strategic Planning Committee, the Illinois Suicide Prevention Coalition Alliance, and/or a community mental health agency. The purpose of the relationship is to discuss how to incorporate the goals and objectives of the Illinois Suicide Prevention Strategic Plan.

Monitoring

The Board will review and update this policy pursuant to Ann Marie's Law and Board policy 2:240, *Board Policy Development*.

7:340 Student Records

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 17 years who has been arrested or taken into custody.

State and federal law grant students and parent(s)/guardian(s) certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but parent(s)/guardian(s) shall have the right to object to the release of information regarding their child. However, the District will comply with an *ex parte* court order requiring it to permit the U.S. Attorney General or designee to have access to a student's school records without notice to, or the consent of, the students' parent(s)/guardian(s). Upon request, the District discloses school student records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by State or federal law.

The Director shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

Student Biometric Information Collection

The Director or designee may recommend a student biometric information collection system solely for the purposes of identification and fraud prevention. Such recommendation shall be consistent with budget requirements and in compliance with State law. Biometric information means any information that is collected through an identification process for individuals based on their unique behavioral or physiological characteristics, including fingerprint, hand geometry, voice, or facial recognition or iris or retinal scans.

Before collecting student biometric information, the District shall obtain written permission from the person having legal custody/parental responsibility or the student (if over the age of 18). Upon a student's 18th birthday, the District shall obtain written permission from the student to collect student biometric information. Failure to provide written consent to collect biometric information shall not be the basis for refusal of any services otherwise available to a student.

All collected biometric information shall be stored and transmitted in a manner that protects it from disclosure. Sale, lease, or other disclosure of biometric information to another person or entity is strictly prohibited.

The District will discontinue use of a student's biometric information and destroy all collected biometric information within 30 days after: (1) the student graduates or withdraws from the School District, or (2) the District receives a written request to discontinue use of biometric information from the person having legal custody/parental responsibility of the student or the student (if over the age of 18). Requests to discontinue using a student's biometric information shall be forwarded to the Director or designee.

The Director or designee shall develop procedures to implement this policy consistent with State and federal law.

For purposes of this policy, "school property" means school buildings, District buildings not being used as a school, parking areas, vehicles used for school purposes, any location during a school athletic and other school-sponsored or school-sanctioned events or activities, and school grounds.

Visitors are welcome on school property, provided their presence will not be disruptive. All visitors must initially report to the Building Principal's office. Except as provided in the next paragraph, any person wishing to confer with a staff member must contact that staff member to make an appointment. Conferences with teachers are held outside school hours or during the teacher's conference/preparation period.

Requests to access a school building, facility, and/or educational program, or to interview personnel or a student for purposes of assessing the student's special education needs, should be made at the appropriate building. Access shall be facilitated according to guidelines from the Superintendent or designee.

The Governing Board expects mutual respect, civility, and orderly conduct among all individuals on school property or at a school event. No person on school property or at a school event shall perform any of the following acts:

1. Injure, threaten, harass, or intimidate a staff member, Governing Board member, sports official or coach, or any other person;
2. Damage or threaten to damage another's property;

5. Violate any Illinois law, or town or county ordinance;
6. Smoke or otherwise use tobacco products;
7. Distribute, consume, use, possess, or be impaired by or under the influence of an alcoholic beverage, cannabis, other lawful product, or illegal drug.
8. Be present when the person's alcoholic beverage, cannabis, other lawful product, or illegal drug consumption is detectible, regardless of when and/or where the use occurred.
9. Use or possess medical cannabis, unless he or she has complied with policy 7:270, *Administering Medicines to Students*, implementing *Ashley's Law*.
10. Impede, delay, disrupt, or otherwise interfere with any school activity or function (including using cellular phones in a disruptive manner);
11. Enter upon any portion of school premises at any time for purposes other than those that are lawful and authorized by the Governing Board;

14. Violate other District policies or regulations, or an authorized District employee's directive.

Convicted Child Sex Offender

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender meets either of the following two exceptions:

1. The offender is a parent/guardian of a student attending the school and has notified the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion; or
2. The offender received permission to be present from the Board, Director, or Director's designee. If permission is granted, the Director or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Director, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Enforcement

Any staff member may request identification from any person on school grounds or in any school building; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

As circumstances warrant, the Director or designee shall take appropriate action to enforce this policy including requesting the person to immediately leave school property, contacting law enforcement, and seeking to deny future admission to school events or meetings according to provisions in Board policy.

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board. The hearing notice must contain:

1. The date, time, and place of the Board hearing;
