Dear Parents:

We at the Black Hawk Area Special Education District are closely monitoring the information being shared with us regarding the CoronaVirus (COVID-19).

We will continue to monitor these situations and all pertinent information from ISBE, our local health departments, and the Illinois Department of Public Health. As information becomes available, we will share that with you.

Please follow our Facebook page or check the BHASED website (www.bhased.org) for updated information. Additionally, we will be sending information out to families via our text/phone messaging system.

As a reminder, we are closed for spring break the week of March 16 – 20th.

Thank you,

Christan Schrader
