Re: BHASED Return to Learn 2020-21 Plan

On Monday July 27, 2020 the BHASED Governing Board adopted a resolution approving the 'BHASED Return to Learn 2020-21' Plan. This document is available on the BHASED website and can be accessed by clicking the "Staff and Family Information" tab.

This document details the initial plan developed for at least the first quarter of the 2020-21 school year. As rules, guidance, and guidelines change the document will be updated. Updates will be posted at the above link on the BHASED webpage.

This document outlines processes and procedures we will be using as the school year opens and staff and students return to our programs. The last two pages of the plan outline program and staff schedules. Please note the first day of student attendance for your child's program.

It is important to note that we are limiting access to our buildings and programs as a safety precaution. Therefore, parents and families will not be allowed in our buildings unless you have made an appointment with the administration. When dropping off or picking your child up from school you will need to call the office and a staff member will meet you outside to escort your child in/out of the building.

I'd also like to share with you that we have BHASED, Center, and Phoenix log wear stores open until September 1st. If you are interested, please visit the BHASED website, www.bhased.org and click the BHASED store link at the top of the page. The store will remain open until September 1st and items will be delivered to BHASED and you will be notified when they are in.

If you have any questions or concerns please feel free to email me at cschrader@bhased.org or call at 309-796-2500.
